PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-52. A joint resolution adopted by the General Assembly of the State of Tennessee memorializing Congress to continue to support career and technical education programs, including the Perkins Tech Prep program; to the Committee on Health, Education, Labor, and Pensions.

SENATE JOINT RESOLUTION NO. 111

Whereas, the career and technical education programs available to our students here in Tennessee and across this great Nation are a most vital tool for the economic future and advancement of the United States; and

Whereas, on February 11, the House Appropriations Committee in Washington, D.C., introduced legislation, H.R. 1, legislation which completely eliminates funding for the Perkins Tech Prep program for the 2011-2012 school year and makes drastic cuts across other education and workforce development programs; and

Whereas, career and technical education programs play an integral role in providing our students with the experience and training necessary to compete in the modern economy and a reduction in funding will harm Tennessee's students and communities, both big and small, as well as the economic well-being of America: Now, therefore, be it

Resolved by the Senate of the One Hundred Seventh General Assembly of the State of Tennessee, the House of Representatives Concurring, That this General Assembly hereby memorializes the United States Congress to continue to support career and technical education programs, including the Perkins Tech Prep program. Be it further

Resolved, That a certified copy of this resolution be transmitted to the President and the Secretary of the United States Senate, the Speaker and the Clerk of the United States House of Representatives, and to each member of Tennessee's Congressional delegation.

POM-53. A concurrent resolution adopted by the Legislature of the State of Louisiana memorializing the Congress of the United States to sustain home energy assistance for at-risk Louisianians and to declare June 2011 as "Save LIHEAP" Month; to the Committee on Health, Education, Labor, and Pensions.

SENATE CONCURRENT RESOLUTION NO. 33

Whereas, the federal home energy assistance program is of vital interest to the state of Louisiana and to low to moderate income households, especially the elderly, disabled, or young citizens, who struggle disproportionately to afford heating and cooling costs; and

Whereas, Congress is considering the proposed budget to reduce the fiscal year 2012 Low Income Home Energy Assistance Program (LIHEAP) formula grant funding by fifty-seven percent nationally; and

Whereas, this reduction is disproportionately more damaging in Louisiana, triggering a sixty-seven percent loss, resulting in the life-threatening decrease of 34.7 million dollars to Louisiana; and

Whereas, due to the loss of these funds, tens of thousands of vulnerable Louisiana citizens will lose access to the LIHEAP's vital energy services; and

Whereas, more than four hundred and seventy-six thousand Louisiana households meet LIHEAP's stringent income eligibility requirements; and

Whereas, of these households, one hundred eighty-four thousand shelter someone over the age of sixty, ninety-six thousand are children under the age of six, and one hundred and fifty-four thousand are handicapped individuals, including disabled veterans; and

Whereas, for a Louisiana family of four to be eligible for LIHEAP, the family must earn no more than twenty-seven dollars per day, per capita; and

Whereas, although nearly a half-million Louisiana households meet LIHEAP's federal income criteria, only a small fraction of eligible households are actually helped due to already limited federal funding; and

Whereas, Louisiana's ability to reach at-risk families through LIHEAP is entirely dependent upon the provision of adequate funding from Congress; and

Whereas, home energy assistance is particularly important in Louisiana due to intermittent intense heat and humidity, which is especially threatening to the elderly, disabled, and young citizens; and

Whereas, if the program's core block grants were reduced as proposed, Louisianians would be disproportionately affected, because the national program would be statutorily precluded from considering current population, poverty, and energy price

data and mirroring outdated needs of twenty-five years ago; and

Whereas, unless Congress sustains LIHEAP, Louisiana's most vulnerable citizens will be placed at an unnecessarily greater risk. Therefore, be it

Resolved, That the Louisiana Legislature hereby declares June, 2011 to be "Save LIHEAP Month" and encourages public and private citizens to join in by encouraging their respective congressional delegation to sustain this vital program at its long-standing national appropriation of five point one billion dollars during federal Fiscal Year 2012. Be it further

Resolved, That the Legislature of Louisiana hereby memorializes the Congress of the United States to sustain home energy assistance for at-risk Louisianians and to declare June 2011 as "Save LIHEAP" Month. Be it further

Resolved, That a copy of this Resolution shall be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives and to each member of the Louisiana delegation to the United States Congress.
